### **Bangkok Bank China Assists Yunnan Construction and Investment Holding Group Co., Ltd to Complete the First Sustainability-Linked Syndicated Loan in Yunnan Province that Obtained Dual Certifications from Domestic and Foreign Institutions**

Recently, Bangkok Bank (China) Company Limited (“Bangkok Bank China”), as the mandated lead arranger, together with several global high brand value banks such as HSBC, successfully assisted Yunnan Construction and Investment Holding Group Co., Ltd (“YCIH Group”) to complete a sustainability-linked syndicated loan. By linking the sustainable development performance indicators of enterprises with financing interest rates, the loan supported YCIH Group in achieving sustainable development goals and reducing financing costs.

This loan is the first sustainability-linked syndicated loan in Yunnan Province that has obtained dual certifications from domestic and foreign institutions, which is subject to a special audit report issued by ShineWing Accounting Firm on sustainable development performance indicators, and the international professional certification institution Sustainalytics and the well-known domestic green financing evaluation institution ZhongCheng Lvjin Technology Co., Ltd are introduced to provide independent opinions on sustainable development performance indicators.

Bangkok Bank China, the wholly-owned local subsidiary of Bangkok Bank, is committed to Creating Value for a Sustainable Future. ESG commitments have been integrated into our business strategies. The sustainability-linked loans will encourage our customers to actively fulfill social responsibility, practice the concept of green development and achieve their sustainability goals. In the future, Bangkok Bank China will continue to promote various business as a responsible financier and work with enterprises to jointly contribute to the achievement of the “dual carbon” goals .
